What: Vanessa Behan Annual Benefit Luncheon

When: June 5th, 12-1pm

Where: Davenport Grand Hotel

Why are Table Captains vital Champions for the Nursery?

Last year we had over 930 people attend the Vanessa's Promise Luncheon in 2017 – majority of those attendees were in thanks to our amazing table captains. The money raised at the luncheon allows us to continue to say yes to families in need of our services. The connections made by your invitees at the luncheon help us propel our impact forward through potential investments and volunteer opportunities. This is a great chance to share what you are passionate about with your friends, family, colleagues, etc.

Your Role as a Table Captain (Champion!)

Tables seat 10, so you can fill one, two or 10 tables! A table captain is a champion to the Nursery; you are a passionate individual who would like to share the Nursery with those you know. Please share your thoughts on the impact the Nursery has on our community and what it means to you with those you invite. We will be here to help you any step of the way with questions, information sheets, invitations, and reminders- whatever you need.

OFFICIAL TABLE CAPTAIN TIPS

Prep, Prep, Preparation:

Add the luncheon to your calendar – Make a list of potential guests.

Friends, family, coworkers, business contacts you feel would be willing to hear our message and support the Nursery. More than likely you will need to invite around 15 people to fill the table. (9 + yourself). Invite your guests to invite guests themselves! If all of your invitees are as excited as you and say yes, we can accommodate them at a table nearby!

Communication is Key:

Ideally once you know who you would like to invite, contact them! We have attached an invitation to the event you can send via email. A suggestion of ours would be to include in your call, email, or letter a reason why the Nursery is important to you and a snippet of the impact the Nursery is having on this community. The sooner you reach out to them the better so they can accept and block out the time on their calendar!

"I belong to Vanessa Behan. I'd rather stay there than anywhere.

They're probably the nicest people I ever had."

Angel, age 6

What makes you happy? "Popsicles on sticks!" Emily, age 5

Communicate the Opportunity:

Let your guests know the luncheon is to benefit the Nursery and there will be no cost to eat or attend, however there will be an "ask". Please be sure your guests know that the Nursery will be asking for a donation so we can continue to create an impact in our community. There is no minimum gift amount required.

Registration:

Once you have sent out the initial invitation, call, text or email your guests personally to confirm their receipt and plan to attend. Once they confirm their attendance to you, you can register them on our website or by [clicking here](#). Please be sure to ask for any dietary restrictions.

Registration closes on May 31, 2018.

Reminders:

We will be sending out reminders for the event via email. We will include a reminder you can share with your guests. We recommend you send this out as well to decrease or eliminate last minute cancellations

Fun Suggestions:

Bring some type of small gift for your guests: chocolates, \$5 coffee cards, etc. to let them know you appreciate their time. Carpool! Make it a fun lunch getaway from the office.
